Product Details

SOLYX® SXEG, SX-IM, SXRR – Stained Glass – Made to Size Films feature a diverse collection of unique multicolored window film designs that can be custom-printed to your window's exact dimensions. These films range in style from traditional and contemporary faux stained glass to our beaches, skies, and trees collection which provide an assortment of atmospheric backdrops for your space. We also feature designs by renowned stained-glass artist and designer **Randolph Raum** available in a variety of shapes and sizes. Made to size orders are made within a tolerance of +/- 1/16" to 1/8". These films are made of durable PET with a decorative surface and protective over laminates and are supplied with a silicone coated liner which protects the clear, pressure-sensitive adhesive. They are recommended for application to interior and exterior glass (inside surface) and are ideal for privacy, decorative, or architectural applications, adding beauty and style to any window.
