### Product Construction

#### Face Film

Polypropylene

#### Adhesive

Non-Adhesive Static Cling

#### Release Liner

Transparent Synthetic

### Product Details

**SOLYX® SX-SC008 Frosted Blinds** is a static cling film with 1 ¼" white horizontal lines fading to clear on a frosted background creating the illusion of window blinds. The horizontal lines run across the width of the film. This fully removable and reusable non-adhesive film is made of durable polypropylene and has a clear release liner. It is recommended for application to interior and exterior glass (inside surface) and is ideal for privacy, decorative, or architectural applications.

### Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

### LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

### Installation and Warranty

#### Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same methods used for installing window tinting films.

#### Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.

### Product Distribution and Contact Information
