Product Details

SOLYX® SX-SC217 Christmas Trees is a lightly textured static cling film with a lovely pattern of decorated Christmas trees on a clear background. The pattern repeat is 57.94" vertically. This non-adhesive film is made of durable vinyl, has a clear release liner, and is recommended for application to interior and exterior glass (inside surface). Decorate your home this holiday season with this festive film that can be easily removed and stored in its original packaging for use each year.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
