Product Details

SOLYX® SX-SC900 Clear Waters Static Cling is a translucent, embossed, textured film of semi-clear and textured wavy lines simulating calm, clear waters. The pattern direction runs down the length of the film. This fully removable and reusable non-adhesive static cling film is made of durable vinyl and is supplied with a clear release liner. It is recommended for application to interior and exterior glass (inside surface) as well as plastics and polycarbonate sheets and is ideal for privacy, decorative, or architectural applications.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same methods used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
