### Product Construction

#### Face Film

Vinyl

#### Adhesive

Clear, Pressure-Sensitive

#### Release Liner

Silicone Coated

### Product Details

SOLYX® SXEG-4870 Dimension 2 is a lovely, frosted film with a decorative stained-glass design made to fit the size of your window within a tolerance of +/- 1/16" to 1/8". This durable vinyl film is supplied with a silicone coated liner which protects the clear, pressure-sensitive adhesive. It is recommended for application to interior and exterior glass (inside surface) and is ideal for privacy, decorative, or architectural applications, adding beauty and style to any window or glass surface. Please note that made-to-size designs are modified to best accommodate your dimensions and may, therefore, look different from the image shown here. The image to the left shows 4 pattern repeats. The window on the very left has no film and is not part of the design.

### Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

### LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

### Installation and Warranty

#### Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

#### Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.

### Product Distribution and Contact Information
